About Us

WeLive Foundation, a Bangalore-based NGO established in November 2019, aims to assist young adults transitioning from child care institutions at the age of 18. Recognizing the challenges they face, WeLive provides a 1-3 year Residential Bridge Program, equipping them with essential life skills, mental resilience, physical health, and the confidence to integrate into society.

Currently, WeLive operates two centres, catering to around 60 young individuals who actively engage in education, work, and decision-making, working part-time or full-time alongside their educational and skill-building programs. The foundation strives to empower these young people, enabling them to lead fulfilling, secure, and meaningful lives.

2022 Recap

In June 2022, the second care centre was setup for 35 young women

39 Care leavers joined the women's centre and 45 joined the men's center.

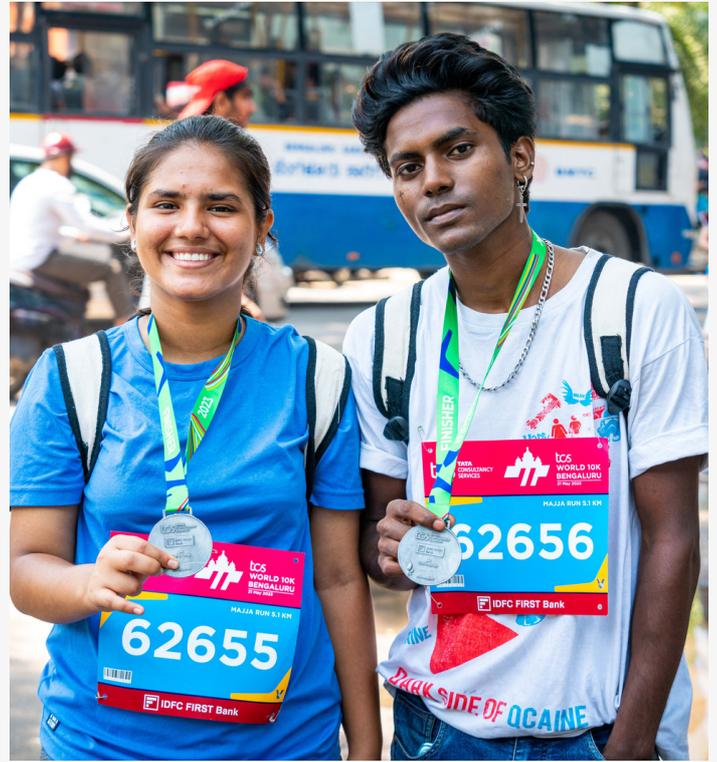

40 YPs have earned income for the first time equipping them for independent living

30 YPs enrolled in graduate courses or 10th/12th in The National Institute of Open Schooling

2023 Progress

TCS 5K RUN

Roshini and Arun, two young people, from WeLive's Bridge Program participated in the TCS World 5k Majja run held in Bangalore. They were a part of around 27,000 diverse groups of participants. Arun and Roshni also got trained in fundraising and were able to use this training to help raise funds for WeLive.

NEW CENTRE LAUNCH

WeLive is thrilled to announce the launch of a new women's centre in Chennai. The new centre will be inaugurated in August. This momentous occasion marks a milestone in our mission to empower and support care-leavers. The women's centre will provide a safe and nurturing environment for women fostering financial stability and building capacity for independent living.

OUTREACH

WeLive embarked on an outreach campaign across six states in India: Kerala, Maharashtra, Karnataka, Delhi, Tamil Nadu, and Rajasthan. The organization's efforts yielded remarkable results, as WeLive now has YPs from a total of 8 different states.

How You Can Support

As we strive to continue our mission of empowering care leavers, we invite mentors, volunteers, and employers to join us in making a difference. Here are a few ways you can help us:

Mentoring: Share your expertise and life experiences by becoming a mentor for our YPs and provide guidance, support, and advice as they navigate their journey toward independent living.

Volunteer Opportunities: Contribute your time and skills by volunteering with us. Whether it's organizing workshops, helping our YPs and program, or assisting with events, your involvement can have a profound impact on the personal and professional growth of our YPs and the program.

Skills Training: Help equip our YPs with essential skills by offering skilling programs in areas such as communication, financial literacy, job readiness, and personal development.

Employment Opportunities: Create employment opportunities or internships within your organization for our YPs. By providing them with real-world work experiences, you can support their transition into the professional world and foster their independence.

Donation: Your donations will help us sustain and expand our programs. To donate, visit our website: <https://welivefoundation.org.in/donation>. You can also donate at:

WeLive Foundation

Current Account No: 9414169464

IFSC: KKBK0008070

Kotak Mahindra Bank, RT Nagar Main Road, Bangalore 560032
